

## BRIEF STATEMENT

ConneXus is a group of seven voluntary guides at the Australian National Gallery. This exhibition is their 6th group show, their 2nd at The Old Barn Gallery.

Their artistic practices encompass a diverse range of techniques: drawing, painting, fabric art, etching and stoneware pottery.

Each artist has enjoyed a different journey through the Visual Arts. Consequently their varying treatment of the Exhibition title, *Through Light and Shade*, has produced a variety of works, some in light or shade, some in colour or black and white.
